# 4-Pce 3/8" T-Handle Spark Plug Socket Set

## Instruction For Use

### Intention For Use

Thank you for purchasing the 4-Piece T-Handle Spark Plug Socket Set from Streetwize.

This socket set is intended for helping you replace faulty spark plugs with new ones. Spark plugs are used to help ignite the engine of your vehicle.

This set is made from durable steel and the included T-handle bar allows you to reach spark plugs in confined spaces and get better leverage.

To get the best use out of this product, please read the information in this document.

### Directions For Use

1. Ensure the engine is fully switched off.
2. Locate the faulty spark plug using your vehicle handbook.
3. Select the appropriate socket and attach it to the provided T-handle bar. Ensure the socket is securely attached.
4. Use the wrench to remove the old spark plug, and replace it with the new one.
5. Dispose the old spark plug in the correct manner.

**When replacing spark plugs, always ensure the vehicle is fully switched OFF and ensure the engine is NOT running. Also, please make sure the engine is fully cooled down to avoid burns. Never replace the spark plug when the vehicle is switched on or the engine is running.**

### Manufacturer's Warranty

This product comes with a 12 month manufacturer warranty which starts on the date of purchase. The warranty covers technical faults during the 12 month period. Any issues caused by accidental damage or wear and tear is not covered by this 12 month manufacturer warranty.

**For any warranty queries, please contact the retailer where you purchased the product.**
