

# Double External 12/24V Power Socket

Thank you for purchasing this Streetwize Double External 12V/24V Socket.

This product is suitable for motorcyclists for connecting their dash cams, or GPS device to 12V/24V a power supply and for caravans who need extra 12V/24V sockets for running their portable 12V/24V appliances or electrical equipment.

These external sockets are encased in a durable ABS which provides insulation and protection. Both sockets come with attached lids to protect them when not in use.
