

Pop Up Toilet Tent

Please Note: The pop-up tent shown, is for illustration purposes only and does not match the pop-up toilet tent in appearance. However the function is identical to the product shown.

Fitting Guide - Tent set-up.

Step 1. To begin, remove the tent from the bag.

Step 2. Holding onto the top side firmly, slowly lift up and the tent will naturally unfold & spring up.

Step 3. Holding onto the edge of the right hand side, pull out opening to the left.

Step 4. Holding onto the edge of the left hand side, pull out opening to the right.

Step 5. The tent will then be fully open. Secure using the tent pegs provided.

Fitting Guide - Collapsing the Tent.

Step 1. Holding onto the right side, fold into the left corner.

Step 2. Repeat previous step for the left side, folding the tent flat.

Step 3. Standing on the bottom of the tent, lay the top edge on the floor away from you.

Pop Up Toilet Tent

Fitting Guide - Collapsing the Tent.

Step 4. Fold in half, bottom end to top end, tucking in any excess from the sides.

Step 5. Change hand positions so your thumbs are on the inside and fingers on the outside.

Step 6. Rotate hands 90° to the outside and the tent will naturally fall into three circles

Step 7. Tuck away excess folds within the rings and place the tent into the bag, along with the pegs.
