

2-in-1 Parasol & Wind Break Parasol

Thank you for purchasing this Gardenwize 2-in-1 Parasol & Wind Break Parasol. This parasol is intended to be used as a free standing parasol (anchor required), patio table parasol (anchor required) and it can also be used as a ground shade parasol that can shelter upto two people. When used as a ground shade, it can be pegged down so that it can act as a windbreak.

This umbrella is perfect for when you're relaxing in your garden, on the beach, at festivals or on camping/caravan sites. Before first use, please read through and retain for future reference.

GW343

Product Elements

1. Gardenwize 2-in-1 Parasol & Wind Break Parasol
2. Free standing pole
3. Carry Bag

Usage

This 2-in-1 parasol can be used as a parasol and wind break ground shade. Below shows the set up instructions for both.

Parasol

To use this product solely as a parasol, simply attach the free standing base pole into the parasol pole.

Warning: Please take extra care when doing so as there is a potential risk of trapping fingers and/or clothing when attaching the base pole to the parasol pole.

Then, place the assembled parasol into either soft ground using the ground spike on the base of the base pole or a suitable parasol anchor/weighted base (not included) so you can use it as a freestanding parasol.

To use the parasol, simply open the parasol, fully extending and opening the material out and then firmly secure into place by attaching the latch into the pre-drilled hole. To close the parasol, remove the latch from the pre-drilled hole and begin to lower the parasol.

Warning: Please ensure that you take care when doing so as the parasol may close quickly.

Health & Safety

1. This product is not a toy. Children must be supervised at all times when using this product.
2. Take extra care when assembling the parasol, risk of entrapment injury to fingers.
3. When closing the parasol, do take care as the parasol may close quickly. Make sure you hold onto the latch when closing the parasol.
4. Keep away from naked flames.

Technical Specification

Supplier Code	GW343
Umbrella Fabric	190T polyester
Pole	Aluminum
Umbrella size	185cm diameter
Height	207cm

Ground shade (Windbreak Parasol)

For using this parasol as a ground shade, you do NOT need to attach the free standing base pole. Simply open up the parasol and then lay it on the floor, ensuring the peg straps of the parasol are on the floor.

Then unzip both side panels from the top of the parasol so you have two side panels on each side.

Using pegs (not included), secure the ground shade into place via the peg straps.
