LW765

Lucia Black Table Lamp

Thank you for purchasing the Lucia Black Table Lamp. This product is designed to provide portable, rechargeable LED lighting for indoor and outdoor use. Please read this manual carefully before use to ensure safe and correct operation.

Health and Safety Guidelines

- Always ensure that the voltage on the rating label corresponds to the mains voltage in your home.
- The appliance is intended for household use only. Commercial use invalidates the warranty, and the supplier cannot be held responsible for injury or damage caused when using the appliance for any other purpose than that intended.
- Check the charging cord and plug regularly for any damage. The cord or plug will need to be replaced if it is damaged.
- Do not use the appliance if it has been dropped or damaged in any way. If the unit is damaged, take it in for examination and/or repair by an authorized service agent.
- To reduce the risk of electric shock, do not immerse or expose the assembly, plug, or power cord to water or any other liquid.
- Remove the plug from the socket by gripping the plug. Do not pull on the cord to disconnect the appliance from the mains.
- Ensure that the cord is not in a position where it can be pulled inadvertently.
- Do not allow the cord to touch hot surfaces, and do not place it on or near a hot gas or electric burner or a heated oven. Do not place the unit on a hot surface.
- Do NOT carry the unit by the power cord.
- The manufacturer does not accept responsibility for any damage or injury caused by improper or incorrect use or for repairs carried out by unauthorised personnel.
- In the event of technical problems, switch off the appliance and do not attempt to repair it yourself. Return the appliance to an authorised service facility for examination, adjustment, or repair.
- We do not recommend using extension cords with this product.
- Use only the manufacturer-approved rechargeable battery and supplied USB-C charger.
- Do not use the lamp while charging.
- Charge and store the lamp according to instructions to maintain battery life.
- The lamp contains a built-in LED module; lamps cannot be replaced.

Product Overview & Control Panel

Component	Function
Top On/Off Touch Button	Turn lamp on/off by touch, change colour temperature.
USB-C Charging Port	Connect supplied charger to charge the internal battery. Red light indicates charging.
LED Indicator	Shows charging status: red = charging; green = fully charged.
Built-in LED Lamp	Provides bright, energy-efficient lighting; non-replaceable.

Instructions for Use

1. Remove all packaging and check included accessories. Contact support if parts are missing.
2. Wipe the lamp with a soft, dry cloth before first use.
3. Place the lamp on a flat, stable surface away from hazards, leaving adequate space around it.
4. Use the top touch button to turn the lamp on or off (Fig.1).
5. For battery use, ensure the lamp is fully charged. Connect the USB-C cable to the lamp base for charging when battery is low. Please turn off the switch at the bottom before charging.
6. The lamp is rated IP44 meaning it is protected against dust and water splashes.
7. For best battery life, charge and discharge fully during the first 10 uses.

(Fig.1).

Cleaning & Daily Maintenance

1. Wipe the exterior regularly with a soft cloth and mild detergent; avoid alcohol, acetone, or harsh chemicals.
2. Do not immerse in water.
3. Dry all surfaces thoroughly before storage.
4. Check the lamp and charging cable regularly for damage. Replace with manufacturer-approved components only.

Troubleshooting

Problem	Possible Cause	Suggested Solution
Lamp does not turn on	Battery empty	Charge battery fully
Lamp flickers or dims	Low battery; poor contact	Charge battery; inspect contacts
Charging indicator not working	Faulty cable or charger	Use supplied USB-C charger and cable
Short battery life	Battery aging; long idle without charge	Fully charge before use; contact manufacturer if issue persists

Technical Specifications

Supplier Code:	LW765
Product Name:	Lucia Black Table Lamp
Power:	1.3W
Colour Temp:	3000-6000-4000k
Battery:	18650 3.7V 1200 mAh Li-Ion
Charging Time:	3.5hrs approx.
Working Time:	5-20hrs depending on the setting.
Charger:	USB Type-C 5V
Size:	H36 x W10 x D10.5cm

Technical Support

If you require any technical support for your product within the warranty period, please contact us on: **support@leisurewize.com** and provide the product name and supplier code (see Technical Specifications) along with the technical query and proof of purchase.

WEEE

The WEEE symbol on this product means that this unit should be ethically dismantled or recycled to minimise environmental impact. Please check with your local authority for more information.

IMPORTANT: ADDITIONAL SAFETY INFORMATION

Warning: This product is not intended for use by children or individuals with reduced physical, sensory, or mental capabilities unless supervised by a responsible adult. Small parts may present a choking hazard. Always keep out of reach of children.
